**Description**

The Chiltern Open Air Museum in Chalfont St Giles is a 45 acre site in the Chiltern countryside, home to over 30 rescued historic buildings, mainly from the surrounding counties. The collection includes buildings which form a Victorian Farm yard, a village school room, a blacksmith's forge, a carpenter's workshop, a village church and a number of farm houses and cottages.

We will have a conducted tour of the museum and its buildings including areas not usually open to the public, among them the store of buildings awaiting restoration and rebuilding. The tour covers about 2 miles and the paths are mainly gravel or granite chips tracks. The site is predominantly level. Part way through the tour we will stop so that drinks and light refreshments can be purchased if required.

The Museum recently won 'Gold' in the 2013-14 'Best Small Visitor Attraction' category in the Beautiful South Awards for Excellence, and went on to win 'Bronze' in the 'England Small Attraction of the Year' category, in the Visit England Awards, with the judge describing the Museum as 'a hidden gem'.

After the visit we will withdraw to Chalfont St Giles for lunch at Merlin's Cave (not included in the cost of the visit) before making our way home although some members may like to pay a visit to Milton's Cottage in the village.

More information about the museum and its building can be found at [www.coam.org.uk](http://www.coam.org.uk)
