## MANSION HOUSE & CITY CHURCHES

### Monday 20 February 2017

---

This visit has been organised by George Freeman

In the morning we will have a tour of some of the City Churches. In the afternoon we will have a special tour of the Mansion House.

**In the morning** Blue-badge architectural guide, David Thompson, will take us to as many churches as there is time for, tell us who built them, and highlight their features, their history and change of use.

**After lunch** I will take you to the Mansion House where the Hall Keeper, Mr John Davies, will tell us about the Hall, its importance to London and take us on a general tour. It has a very important art collection and we will see some of the paintings as we go through the House. (Viewing the art collection is a separate visit)

**MEET** in the Green Man (Wetherspoons), 1 Poultry, near the BANK, for coffee before 10:45.

**LUNCH** will be taken in the Green Man,. It is not necessary to pre-order.
