

## Photos taken on REMS visit to den Haag, July–August 2015

- A – Stoomtram + IJsselmeer boat trip; Stoomtram runs from Hoorn to Medemblik; boat runs from Medemblik to Enkhuizen
  - B – Canal outing
  - C – Visit to Cruquius Museum
  - D – Gouda trip
- 
- A 1 View of the Stoomtram railway yard with engine and engine shed towards the left; Jack, Mike and John look on
  - A 2 L. Schwartzkopff ('Blackhead') engine; Jack and Joan admire its spotless appearance!
  - A 3 Engine moving towards signal box
  - A 4 View of whole railway yard, with our train waiting on the far platform; Mike and David take pictures
  - A 5 Closer view of our train; Jack and Gill talk on the platform
  - A 6 A look around Wognum-Nibbixwoud station (and queue for refreshments!); children help to load boxes on the train; Joan facing camera
  - A 7 View down track at Wognum-Nibbixwoud
  - A 8 End of line: our party moves on to board the ship (at least 15 of us are recognisable in this shot!)
  - A 9 Sailing boats at Enkhuizen; Roy in foreground
  - B 10 Canal trip circumnavigating den Haag: our guide explaining the history to David and Gill
  - B 11 View of a remarkably straight portion of the canal
  - C 12 Half our group waiting outside the Cruquius Museum
  - C 13 Our guide explains how muskrats burrow in the dykes and used to cause intolerable damage
  - D 14 The cheese weighing house (the Waag) at Gouda; Roy, Clara, Tessa and John in foreground
  - D 15 View of Gouda market place, with town hall towards the right; Tessa, Joan, John and Clara in foreground
  - D 16 The tower on the town hall, with heritage figures, bells, clock and weathervane
